Dear students, parents and teachers,

We are now in week 8 and a busy period for teaching and learning.

I am very pleased to introduce a new administration assistant to our office. Mrs Olga Caristo will be working on reception beginning this week. She comes to us having worked in a Primary School in Haberfield and I know you will make her feel welcome.

We are now formally accepting enrolments for Kindergarten 2015. We hope to start interviewing early next term so it is important for all families to submit their application as soon as possible. Enrolments close on Friday 30<sup>th</sup> May and any applications received after this date will be placed on a waiting list. If you have a child of school age or know of someone who does, please contact the school and ask for an enrolment form. Alternatively you can download a form from our website.

This year the official date for wearing the **school winter uniform** will be **Monday 12<sup>th</sup> May**. It will be important that the children are all in the winter uniform as we will be having our **school photos** taken the following week on **Monday 19<sup>th</sup> May**. Just a reminder, that **running shoes**, worn on **sports days**, need to be **predominantly white**. Some reminder letters have been sent home to families this week. Sports shoes can be purchased from the uniform shop. For details on uniform shop opening hours in the school holidays please visit our school website [www.olqpgreystanes.catholic.edu.au](http://www.olqpgreystanes.catholic.edu.au)

Last week we celebrated Catholic Schools Week. We began with a special liturgy and lots of classroom discussion on the role of our Catholic Schools especially in Western Sydney. Fr Bob and Fr. Suresh visited classes during the week and spoke about the role of priests, our Bishop and the Pope. We concluded the week with open classrooms and lots of families visited the rooms on Friday afternoon.

Our next **School Mass** in the Parish will be held on **Sunday 6<sup>th</sup> April at 10.00am**. I hope that lots of our families will be able to attend as our children have been invited to participate in the choir, greeters, collectors, readers and the offertory procession. This is a great way to enhance our Parish community.

## Principal's Message Continued

Over the next few weeks we are hoping to organise some workshops for parents who would like to work in our classroom with reading, writing etc. This is a great opportunity for parents to help with the learning program particularly as children require lots of practise when they are learning how to read. For those parents currently working in classes it is important to remember that information regarding **the children needs to be kept confidential at all times.**

One of the priorities for our playground space over the last 2 weeks has been cleanliness. Teachers and students have been made aware of the need to use rubbish bins and to keep our hands clean. Please reinforce these ideas at home. Parents can also help by unwrapping many food items placed in the child's lunch box.

This week also we have sent home an invitation to the **Dance Fever** Showcase to be held at the **State Sports Centre at Homebush** on **4<sup>th</sup> April**. Over the next two weeks the children will be practising for the event and they are all looking forward to participating.

At our last P&F Meeting Mrs Garzaniti spoke about the introduction of the new National English Syllabus. She also talked about how families can support their children at home with how they learn and develop their reading skills. It was a very well received information evening with nearly 50 families in attendance. Our next P&F Meeting will be held on Wednesday 9<sup>th</sup> April at 7.30pm with another guest speaker to be announced.

This week students from years 5 and 6, all staff and a group of parents randomly selected by the Catholic Education Office, will take part in a Quality Catholic Schools survey. This survey is taken every year and is an opportunity to hear from the community regarding areas such as Catholic culture, teaching and learning, communication, parent participation etc. The results of the survey will be returned to us in June for analysis.

Have a great week.

# More Than A Great Education!

Last week we celebrated Catholic Schools Week. This is an annual event enabling us to celebrate our strengths and distinctiveness. It increases public awareness of the wonderful opportunities that Catholic schools provide, and allows us to celebrate our rich history and many wonderful achievements that make Catholic schools unique.

OLQP is a truly wonderful community to be a part of and we pray that together we can continue to strive to make it an even better place!

## *Dear Lord*

*Catholic Schools Week is a special time in the year when we celebrate the extraordinary achievements of our Catholic schools. It is a time to give thanks for the wonderful teaching and learning that takes place each day in every classroom. We acknowledge and thank all who work in the service of Catholic education to create the opportunities for students that allow them to grow and thrive.*

*We thank you for the wisdom and understanding of teachers, the enthusiasm and energy of students, the leadership of school Principals and executive staff, the skill, care and commitment of administrative and support staff, the guidance of our pastors and religious leaders, the support and partnership of parents, carers and local communities.*

*We pray that each student's learning journey be inspired by a search for your wisdom and truth.*

*We pray that we never take for granted the learning opportunities that we have all been given, and that we use the gifts of learning wisely and responsibly.*

*We ask that we use what we have learnt to create a better world for all people, particularly the most vulnerable and disadvantaged.*

*We ask this through our Lord Jesus Christ, your Son, who lives and reigns with you and the Holy Spirit, one God, forever and ever.*

*Amen*

Blessings for a wonderful week,

Rebecca Lloyd REC

***Our next Children's Mass will be held on Sunday 6<sup>th</sup> April at 10am. Please return your child's note ASAP if they are interested in a specific role on the day.***

## ***Sacrament of Confirmation 2014***

### ***Our Lady Queen of Peace Parish Greystanes***

We would like to advise that our Parish is currently accepting enrolments for the Sacrament of Confirmation for 2014 **and we invite all students in Year 5, Year 6 or above, to continue their Sacramental Process.** To receive an enrolment form or any further information, please contact our Sacramental Office on 8863 1827 or email [sacraments@olqp.org.au](mailto:sacraments@olqp.org.au)

### **SCHOOL FEES**

School fees are now overdue.

If you have not made arrangements already please contact Nicole in the office to do so.

### **STUDENT ATTENDANCE AND EXEMPTIONS**

If students are going to be absent from school for any period of time it is compulsory that the school be notified in writing. For short absences due to sickness, appointments, family matters etc., a letter to the teacher explaining the absence is acceptable. But in the case of absences for the purpose of holidays the school must be notified in writing in advance and an Application for Exemption from Attendance at School Form must be completed and returned to the office for approval by the Principal.

These forms are available from the school office and must be completed prior to the absence.

These guidelines have been set by the Catholic Education Commission in conjunction with the Education Act 1990

### **STUDENT BANKING**

Commonwealth Bank

A reminder that Student Banking is up and running again this year.

Every **Monday** parents from the **P&F** will be located outside the office where students can bring their banking in for processing.

All students and siblings are encouraged to open an account with **CBA Greystanes Branch**, as our **P&F** receives a percentage of all funds banked with CBA, which in turn helps our school.

**HAPPY BANKING....**

### **COLLECTING CHILDREN EARLY**

To avoid unnecessary disruption to the classrooms we ask that parents try to avoid the need to collect their child/children early, especially after **2:45pm** as this is the time of the day when teachers are handing out notes and organising students for dismissal. If you know in advance that you need to collect your child from school early please send a note with your child to the teacher in the morning so that the teacher can ensure the student is in the office ready. This saves the office staff from having to constantly interrupt the classrooms.

It is preferred that medical or other appointments be made before or after school hours to avoid disruption to student's learning.

**Sports Trials**

We would like to congratulate the children that have represented OLQP at the recent sports trials. Last week, Hayden Shaw and Chris Rutherford trialed for Softball at the MacKillop trials. They demonstrated some outstanding skills and will now travel to Lismore in September to represent MacKillop at the NSW Schools Softball trials. We would like to wish them all the best!!

Last week Damien Khattar, Adam Abi-Arrage, Nicholas Bilokapic, Ethan Oldridge and Katarina Bonovas all participated at the Parramatta Soccer Trials. We would like to congratulate all the children for their participation and courageous spirit. We would like to especially congratulate Katarina, Ethan and Nicholas who were selected to represent Parramatta at the next level of soccer trials in Canberra on the 9<sup>th</sup> May. Good luck and all the best in Canberra!

**Cross Country News**

Our annual Primary Cross Country will be held at Daniel St Park on Monday 31<sup>st</sup> March. We are looking forward to a fun day and ask that your child's permission notes are returned as soon as possible. If you are able to assist on the day could you please contact the office. We look forward to seeing you on the day.

**Swimming News**

We would like to acknowledge the students that represented the school at the Diocesan Championship at Blacktown 2 weeks ago. All of the students performed exceptionally well and many performed personal best times. (Please see the attached photo of the team.) We would like to wish the following students all the best at the up-coming Swimming Championships at Homebush Aquatic Centre on the 28<sup>th</sup> March and we look forward to hearing about their experience.

**LITERACY**

I would just like to thank everyone who came along to the session on Literacy at last week's P&F Meeting. For me it was a great opportunity to meet some of our OLQP parents and to hear what they would like support with in the area of Literacy. Following on from this session I would like to offer some workshops to assist parents to support their children in the areas of reading and writing. If you would be interested in attending any of these sessions please let me know by going to the following link:
