

# OLQP Newsletter

Term 2 Week 10 2018

Dear Parents, students and teachers,

This is our last newsletter for term 2. The cold weather and all our hard work has left both teachers and students very tired. The hard work has definitely paid off though, as the feedback from our half yearly interviews was very positive.

Last week we asked children to wear something pink to school to raise money for Breast cancer research. This was an initiative from Rylee in Year 4. We are really pleased to say that on the day we raised \$1473. This is a very significant cause so thank you to everyone who contributed.

**The first day for next term is Monday 23rd July.** We would like to start the term with all students in a good frame of mind for learning. This includes wearing the correct school uniform and having appropriate haircuts. Please make sure that hair styles are evenly cut.

Our enrolment process has been concluded and letters sent to parents. Congratulations to all the applicants and a special welcome to our new families. Enrolment forms for the OLQP Pre-school will be available from Monday 23rd July until Friday 27th July, between 9.00am and 3.00pm. Please see Pre-school staff for an enrolment form. Interviews will be held in August.

Two big events for next term are the launch of our **PBS4L Day - Friday 4th August and our Fun Day - 6th September.** More information will be forthcoming about these events but we hope lots of families will be able to attend. Our Staff Development (Pupil Free) day will be held on 7th September.

A number of our neighbours who live in Lloyd Street have mentioned about parents stopping in the street in the afternoon and parking across driveways. Please be considerate to the people around our school particularly in the mornings and afternoons.

This term we had an unfortunate incident with a dog that was brought into the school during dismissal time. Please do not bring pets into the school as this can cause difficulty for some children.

Some inquires have been made about replacing the collars on the girls summer uniform. This service was established for a limited time last year and is no longer available.

I hope everyone has a very relaxing holiday and we can all come back refreshed and ready for Term 3.

Have a happy holiday

Michael Hopley  
Principal

## **DATES TO REMEMBER:**
