

OLQP Newsletter

Term 1 Week 4 2019

Dear Parents, teachers and students ,

This is our first formal newsletter for 2019. Welcome to the new school year. Last week we sent out a lengthy note to inform you of the changes to the administration area and Year 5 classrooms and to establish some of our routines for the year. We also had a very successful P&F meeting to discuss our building project. I will keep you informed of the progress over the course of the year. Our newsletters this year will be kept to one or two pages and will include upcoming events and dates.

The official enrolment period for Kindergarten 2019 will begin on Monday 25th February and finish on Friday 24th May. If you have a child of school age or know of someone who does, please download a form from our website or visit the school office and ask for an enrolment form. We will be having an Open Day for new Kindy families on Wednesday 6th March from 9.30am to 10.30am. Please encourage anyone who is seeking enrolment to attend our Open Day.

Thank you to all those who attended our Opening School Mass. This was a wonderful event to mark the beginning of the year and to ask God to be part of all our endeavours. We were also able to welcome our new assistant priest Fr. Joseph to our school.

Catholic Schools Week will be held from 4th to 8th March. During this week there will be lots of learning for the children around the work of Catholic Schools and their association with the Parish and the wider Catholic community. On Monday 4th March we will have a special liturgy at assembly and Open Classrooms from 3.00pm to 6.00pm. Parents are welcome to visit their child's classroom and check out their great work.

DATES TO REMEMBER:

Friday 22nd February

-Diocesan swimming carnival

Monday 25th February

-Kindergarten 2020 enrolments open

Monday 4th March- 8th March

Kindy Enrolments open

Monday 25th February and close Friday 24th May.

Enrolment packs are on our website or at the school office

"You don't have to be perfect, to be amazing."

This year marks the beginning of a significant transformation of our school. Not only will our learning spaces be transformed but also the ways in which we deliver curriculum. We are focusing on developing the children's inquiry skills that will help them now and in the future. This will involve more contact with St.Paul's College students and other students in the Diocese and even in other parts of the world. It is an exciting time for OLQP and I would like to thank the executive Director, Mr Greg Whitby, and the personnel of CEDP who will support us in this journey.

"May the Lord bless you and take good care of you.

May the Lord smile on you and be gracious to you.

May the Lord look on you with favor and give you peace."

(Numbers 6:24-26)

Have a great year.

Michael Hopley

FORGET PASSWORD UPDATE! IMPORTANT QKR UPDATE

FOR YOUR INFORMATION: Masterpass Support Centre

Schools had previously been advised to direct Qkr users/parents at their school who had Qkr login issues and could not reset their password to contact the Masterpass Support Centre by calling 1800 689 562.

Qkr users with login issues or password reset issues should no longer be advised to call the Masterpass Support Centre.

Instead, it is recommended that you provide your Qkr account manager (Kim Farrugia via the Canteen email (olqpgreystanescanteen@gmail.com) with the following details:

- User's email address on Qkr
- User's mobile phone number on Qkr
- The first name and surname of one or more of the user's children

This will enable your Qkr account manager to confirm and delete the user's Qkr registration so that the user can then Sign Up on Qkr using the same email and mobile phone number if desired.

Note that deleting the user's Qkr registration will also delete their access to their previous Qkr receipts. Users will, however, be able to see their Qkr purchase transactions on their credit card statement, and the school will be able to verify their transaction details if required by generating a Store Manager transaction report. To avoid the possibility of users losing access to their Qkr receipts in future, they can activate the option to Always Email Receipts on their Qkr app settings.
